CUSTOM RUGS

We offer area rugs in a dazzling array of materials, weaves, colors, and patterns, from versatile, neutral rugs to use as a base for a layered scheme, to vibrant feature rugs that double as artwork.

Our high-quality rugs are made from well-known brands we carry in our showroom including Anderson/Tuftex, Masland and Fabrica.

BENEFITS OF AREA RUGS

- Adds visual layer.
- Creates a soft surface underfoot while reducing slips and falls.
- Defines the space making it more functional and welcoming.
- Reduces noise and muffles sound.

- Protects hard-surface flooring in high-traffic areas and where furniture is moved back and forth.
- Adds a decorative layer over carpet while protecting it from uneven wear.
- Helps with temperature regulation, creating a cozy, intimate space.

BENEFITS OF PURCHASING THROUGH SADDLEBACK DESIGN

- Rugs made with durable fibers that are easy to clean and care for.
- Competitive pricing ensures you are getting the best quality for a great price.
- White-glove delivery service with exact placement and furniture moving.
- Pet-safe options with built-in stain protection and pet hair resistance for easy cleaning.
- Custom-sized and designed rugs made just for your style and space.

ASK ABOUT CUSTOM OPTIONS

Choose a design from our high-end collection or create your own unique piece complete with custom colors - either way, it will be created individually to meet your custom specifications.
